

UNITED STATES
CIVILIAN BOARD OF CONTRACT APPEALS

August 5, 2013

CBCA 3293-RELO

In the Matter of RICHARD ROSA

Richard Rosa, Lorton, VA, Claimant.

James E. Hicks, Senior Attorney, Office of Chief Counsel, Drug Enforcement Administration, Springfield, VA, appearing for Department of Justice.

DRUMMOND, Board Judge.

By submission dated July 1, 2013, claimant, Richard Rosa, seeks reconsideration of our ruling denying his claim in *Richard Rosa*, CBCA 3293-RELO (June 24, 2013). That matter primarily concerned claimant's request for relief from the 18,000 pound limitation associated with shipment of household goods. We denied the claim because the agency correctly applied the applicable statute and regulations. The Government opposes reconsideration.

Claimant has raised nothing new or noteworthy in his request. Rule 407 (48 CFR 6104.407 (2012)). Accordingly, the Board denies the request for reconsideration.

JEROME M. DRUMMOND
Board Judge
