CIVILIAN BOARD OF CONTRACT APPEALS

CBCA 4361-TRAV

In the Matter of MARGARET L. FLAVAN-BROWN

Margaret L. Flavan-Brown, APO Area Pacific, Claimant.

Charles E. Kelker, Chief of Staff, Pacific Area Office, Department of Defense Education Activity, APO Area Pacific, appearing for Department of Defense.

DANIELS, Board Judge (Chairman).

On December 8, 2014, Margaret Flavan-Brown, a teacher at a Department of Defense school in Japan, asked the Board to review her agency's denial of her request that the Government pay for an escort to accompany her on a medically-necessary flight to the United States. Because of the urgent nature of the request, we asked the agency to respond quickly. On December 12, the agency stated that on the basis of additional information submitted on December 11, it had reversed its position and decided to pay for the escort's flight. Ms. Flavan-Brown agrees that the matter has been resolved. We consequently dismiss the case.
