

UNITED STATES
CIVILIAN BOARD OF CONTRACT APPEALS

August 30, 2012

CBCA 2824-DBT

In the Matter of ANTHONY L.

Anthony L., Petitioner.

Mark Ezersky, Office of Regional Counsel, General Services Administration, San Francisco, CA, appearing for General Services Administration.

DRUMMOND, Board Judge.

On June 22, 2012, the Board ordered petitioner to file a position paper by August 1, 2012. Petitioner failed to meet the August 1, 2012, deadline. The Board also attempted on several occasions to contact petitioner by telephone and e-mail, but with no success.

On August 9, 2012, the Board ordered petitioner to show cause by August 21, 2012, why this matter should not be dismissed for failure to prosecute. Petitioner has disregarded the Board's orders by failing to file a position paper.

Accordingly, since the Board has been unable to reach petitioner and he has not responded to the Board's show cause order, this matter is dismissed for failure to prosecute.

JEROME M. DRUMMOND
Board Judge
