ORDER

On June 18, 2026, appellant submitted a motion to dismiss this appeal without prejudice, stating that the parties have identified additional facts and documents not previously subject to a contracting officer's final decision, which may impact the resolution of the underlying issues. In the motion, appellant also states that the parties are working together in a good faith effort to resolve these issues without further Board intervention. Respondent has no objection to this dismissal. Accordingly, this appeal is **DISMISSED WITHOUT PREJUDICE**.
