ORDER

By joint motion dated September 24, 2026, having settled the dispute, the parties seek dismissal of these appeals. Initially, the parties requested that the Board enter a stipulated judgment, pursuant to Rule 25(b), but stated in the request that the settlement amount had been paid. When the Board asked whether a dismissal order was more appropriate, the parties filed a motion to dismiss, again citing Rule 25(b), and requested that the Board enter a dismissal order. The parties state in their motion to dismiss that, “[u]pon entry of a dismissal order, neither party will seek reconsideration of, relief from, or appeal the Board’s dismissal.”

We construe the motion to be one for dismissal pursuant to Rule 12(b)(2) (48 CFR 6101.12(b)(2) (published in eCFR)). The appeals are **DISMISSED WITH PREJUDICE**.
